NOTIFICATION

With the aim to augment the Compressed Bio Gas (CBG) Plant projects in Sikkim for Sustainable Alternative towards Affordable Transportation (SATAT) and upon request received from the Ministry of Petroleum & Natural Gas, Government of India, the State Government hereby constitutes State Level Committee (SLC) to facilitate setting up of CBG Plants and to resolve the challenges faced by CBG developers or producers, for efficient and effective implementation of the initiative and also for proper monitoring of the project.

The State Level Committee shall constitute of the following members:-

- | | |
|--|--------------------|
| 1. Chief Secretary, Government of Sikkim | - Chairman |
| 2. Additional Chief Secretary, Home Department | - Member |
| 3. PCE-cum-Secretary, Public Health Engineering Department | - Member |
| 4. Secretary, Urban Development Department | - Member |
| 5. Secretary, Agriculture Department | - Member |
| 6. Secretary, Science and Technology Department | - Member |
| 7. Secretary, Animal Husbandry Department | - Member |
| 8. Secretary, Horticulture Department | - Member |
| 9. Secretary, Finance Department | - Member |
| 10. Representative of Indian Oil Corporation Limited
(not below the rank of Executive Director) | - Member |
| 11. Secretary, Food and Civil Supplies Department | - Member Secretary |

The role and responsibilities of the Committee shall be as follows:-

- Prepare State Level action plan for SATAT covering plant locations, assessing feedstock availability & CBG potential and off-take plan.
- Creation of State Level ecosystem for setting-up and associated activities of Compressed Bio Gas(CBG) project.

- Coordination among various stakeholders of SATAT initiative and to implement single window clearance for CBG projects/expedite clearances at Central and State level agencies for establishing CBG projects.
- Benchmarking of technology and cost of CBG projects and empanelment of institutions/technology providers.
- To create synergy with CBG entities for marketing of CBG.
- To create enabling mechanism for establishing biomass/organic waste supply chain for ensuring sustainable supply of biomass/organic waste for CBG projects.
- To create ecosystem for marketing of FOM and liquid FOM.
- To provide a platform for stakeholders to discuss issues related to CBG projects.
- To propose fiscal incentives and initiative for CBG plants.

**Deepa Rani Thapa, SCS,
Secretary to the Government of Sikkim,
Food and Civil Supplies Department.**
